My dear Givens,

I shall be most grateful if you can obtain for me through the good offices of the Public Safety Bureau a copy of the photograph and finger-prints of prisoner No.175 in the 2nd Prison Kiangsu, whose name if LIU HSUNG. This man has many friends in Malaya and I gather is shortly to be released from prison and it is not unexpected that he will attempt to proceed to Malaya.

Yours sincerely,

H Whepley
